Ballistic Lifting Harness

Ballistic Lifting Harness Product #SOS-5199

Super tough dog hander lead SOS-5148

This Ballistic Lifting harness designed for the Dog Squads is manufactured by SOS Marine

- The panel is manufactured to defeat pointed edged objects and instruments.
- This harness is quick and easy to fit and allows your dog to move totally unrestricted.
- Harness holds snug to the dog's body and has handles on top for tactical placement.

The Harness-vests serve as a first layer of defence against potentially dangerous environments. The vest are manufactured from the same types and quality of materials used for human protection.
