

New Zealand Customs

Product Code SOS-6263

- The lifejacket is designed to be housed in an around neck collar valise which is attached to mesh vest.
- The vest has a zipper fastening at the front and is then tightly secured to the body with an adjustable waist belt.
- The buckle is a metal interlocking style. Pockets have been provided in the vest to house company's radios, and personal items.
- The vest also comes with a 3litre hydration system hands-free.
- Additional pockets and pouches can added or deleted during manufacture to suit the requirements of the department.
