

SOS MARINE

SOS 2 PERSON LIFE RAFT

Caters for a large percentage of the marine market-the inshore and coastal boaters who usually travel solo or as a couple

EASY TO HANDLE

This rescue concept provides a further safety alternative for coastal waterways by incorporating many features of larger rafts.

For the 99% of people who spend 99% of their boating time within sight of land.

SOS 2 Person Life Raft

- Compact in size- the raft can be stowed in the smallest of spaces
- **Just throw**- it automatically inflates- this ultra-light raft can be thrown quickly in an emergency situation it is easier to handle for people of most age groups. **(Australia - Manual Inflation Only)**
- Low maintenance with much smaller servicing costs
- Thermally insulated floor which is also reflective for search & rescue teams.
