

SECURITY EQUIPMENT VESTS

SECURITY EQUIPMENT VESTS

Military - Police -Hospital Security Public Safety Professionals

- SOS Marine offers a huge selection of low-drag, high-performance tactical vests that allow security and tactical operators to carry all their gear securely and comfortably.
- Loaded with mag pouches, holsters and accessory attachments, our vests provide military, police personnel, hospital security and public safety professionals with the leading designs
- Security Equipment Vests for duty use. Our range of load-bearing vests are designed to carry equipment, taking the load off the duty belt, reducing back stress, whilst keeping kit easily accessible on the vest to the officer.
- Styles with sturdy zippers that secure your gear in place and mesh ventilation that keeps you dry and comfortable.
- Adjustable shoulder and waist straps for the perfect fit, which allows you to take your mind off your gear and focus on the mission.
- Made to size in various colours
- Also, hydrations systems can be placed in vest
- Special pouches for equipment carried
- Adjustable on the shoulders and sides for summer and winter clothing
- **OPTIONAL:** Stab resistant inserts
- **OPTIONAL:** Includes a 3-litre drinking bladder (hands-free) in the rear of the vest.
