SURVIVAL OPERATIONS SPECIALISTS

**S.O.S Waterfront Life jackets  
provide a new approach to improve  
the working capabilities of marine  
professionals**

S.O.S. Waterfront Life jacket Vest is a 275N or 150N  
inflatable lifejacket complies with **ISO 12402**

SOS Marine is Australia's prominent manufacturer of lifejackets and life saving rescue equipment.

Lifejackets are made possible for significant advancement in product life extension with the smart use of materials used in construction.

All textiles used are the highest quality for strength under environmental exposure in order to provide the most durable product as possible to withstand the harshest environments.

The high quality and unique design of SOS Marine equipment has meant that 12 Defence Forces worldwide purchase our safety equipment.
