

SOS MARINE

Product Code SOS-5349

Individual Load carrying equipment for Correction Institutional Services (CIS)

SOS Marine has 30 years industry experience and the capacity to design-assist specialised safety equipment for the most demanding work-place requirements.

The individual load system described here is of a modular design, allowing for easy adaptation to suit the mission and the individual. The system consists of eleven items, which when combined, allow a wearer to carry the following:

- 240 Rnds of 5.56x45 ammunition in magazines (4 Pouches)
- 400 Rnds of 5.56x45 Link ammunition (2 minimi pouches)
- 3 litres of water (hands-free hydration system)
- 4 litres of rations and/or personal items. (1 Pack Combat)

The system is designed for 8 to 12 hour patrol duty being conducted from a central patrol base or with vehicle support. The individual item price is given, based on a minimum order of 100 pieces of each item.
