DAN BUOY

"When time is of the essence the
SOS Dan Buoy is the answer"

Philip Thompson
America's Cup
Challenger Skipper

ReeLSLING

For the Reel Rescue
Man overboard equipment
-Rescue Ready

Easy to use rescue system for retrieving
a person who falls overboard

2 & 4 PERSON LIFE RAFT

For inshore & coastal boaters

- › JUST THROW- Automatically inflates
- › Easy to handle for most age groups
- › Much smaller servicing costs
- › Packed in valise

RESCUE LASER FLARES

- › Detects reflective material on life jackets, channel marker etc
- › 40 hours continuous signalling on one battery

- › Penetrates smoke and haze
- › A worthy addition to pyrotechnic kits
- › Allows search & rescue to continue when darkness limits search

RECOVERY/RESCUE LADDER

Two-in-one
recovery using just one product

- › Use rungs as a ladder or
- › Use entire shape to horizontally lift victim

S.O.S SOCK

- › For short-handed crews - the SOS Recovery Ladder now has its own 'sock' for attachment to the toe rail, ready to be deployed at a moment's notice.
