

SOS DAN BUOY

READY TO GO – MAN OVERBOARD RESCUE

MANUFACTURED BY SOS MARINE, AUSTRALIA

INTERNATIONAL PATENT PCT/AU2010/000397

WHEN THE SECONDS COUNT
DON'T BE SECOND BEST

YA Approved

A MUST FOR THE SKIPPER'S CHECK LIST

SOS Marine has 'raised the bar' for MOB with its new inflatable SOS Dan Buoy.

The SOS Dan Buoy is simple, compact, ready to use and highly visible.

Benchmarked for quality, performance and price for every bluewater boat to carry one.

Folds away in an easily stowed carry bag.

S.O.S
MARINE

SOS Marine is an ISO 9001 manufacturer of maritime safety equipment providing specialised lifejackets and man-overboard equipment for naval forces, maritime law enforcement agencies and a range of marine industry professionals, as well as leisure industry requirements. SOS Marine supplies safety equipment to 12 International Defence Forces world-wide.

SOS Marine provides a new approach to safety and rescue equipment by improving capabilities and promoting new safety practices.

RESCUE LASER LIGHTS ▶

A safe and effective survival tool

“Perhaps one of the best night signals invented” – US Navy Aviation survival Gear Field Test

◀ 2 PERSON LIFERAFT

For the 99% of people who spend 99% of their boating time within sight of land, we have designed a 2 person raft.

It's light (under 8kgs), easy to store and has smaller servicing costs.

Australia's innovators of marine rescue equipment

SOS Marine is one of the few companies worldwide to purpose-design and manufacture safety equipment to suit marine workplace requirements
