

PRESS RELEASE

For Release 28th March, 2012

SOS Marine has been appointed the servicing agent for the Australian Federal Police

SOS Marine, an Australian manufacturer of marine safety equipment and has been appointed to manage the servicing of lifejackets for the Australian Federal Police

Headquartered at Botany, in Sydney, SOS Marine is a leading supplier of marine products and is one of the few companies world-wide to purpose-design and manufacture safety equipment to suit marine work-place requirements.

Spokesman from SOS Marine says: “we have a strong system in place to ensure quality after sales support and service, our company is well-positioned to have been given this management position.

Spanning over 25 years of experience, SOS Marine has designed and manufactured specialised lifejackets and safety equipment for nine naval forces world-wide, the armed forces, coast guard, police and emergency services.
